[Sex Sales and Sex Sells!](#)

Your Host: [darlene](#)

11:00 AM - 3:00 PM

Today we have guest Rachel Durchslag, founder of [The Chicago Alliance Against Sexual Exploitation](#) coming in to talk about her group and their mission. Yes, we'll be talking about sex *sales*. ***But that just got me to thinking...*** Thinking about the idea of sex and why it weighs so heavily in cultures and how it pertains to society as a whole. I am especially interested in the gender bias that follows such heavy reliance on sex in ads. **Where are the half-naked men people?** Why do women do it? Do you support it and if so, why?

Got an answer to sex sells? Call 888-635-1112 and leave me your reply and I'll play it during the broadcast.
